2	Blasts at 7:30 p. m., Fire Dept. meeting.
1	Blast, water to be shut off in thirty minutes.

NOTICE

Brush fire, chimney fire, and all out side fire alarms are to be telephoned to the Alton operator, who will sound the proper alarm, and notify the proper authorities. This will be done by means of a control box now in the central office. State clearly the nature, extent and location of the fire. By complying with the above much time and property may be saved.

INSTRUCTIONS FOR OPERATING A BOX

Opening a box does not sound alarm: Pull down handle. Anyone sounding alarm to remain at box to direct firemen. Second alarm to be sounded by order of the chief engineer only. Test alarm every day at 12:45. Do not sound alarm unless necessary.

ALTON WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Alton, in the County of Belknap, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town House, in said Alton, on Tuesday, the eleventh day of March next, at nine o'clock in the forenoon, to act upon the following subjects:

Article 1. To see what sum of money the Town will vote to raise and appropriate to pay all necessary charges of the Town for the ensuing year.

Article 2. To see what sum of money the Town will vote to raise and appropriate for the repairs of highways and bridges for the ensuing year, in addition to that required by law.

Article 3. To see what sum of money the Town will vote to raise and appropriate for the removal of snow from the Town's highways.

Article 4. To see what sum of money the Town will vote to raise and appropriate to be expended on roads leading to shore property, in conjunction with the amounts raised and expended by property owners.

Article 5. To see if the Town will vote to raise and appropriate the sum of $2,000.00 for a bookkeeper, providing the bookkeeper keep the records and books of the Water Department, School Department and Selectmen.

Article 6. To see what sum of money the Town will vote to raise and appropriate for the purchase of Tarvia and application of same.

Article 7. To see if the Town will vote to raise and appropriate the sum of $870.28 provided that the State will contribute $5,801.87 for Class V roads, so-called.

Article 8. To see if the Town will vote to authorize the Selectmen to borrow necessary monies in anticipation of taxes.

Article 9. To see what sum of money the Town will vote to raise and appropriate for the decoration of Soldiers' graves.

Article 10. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the public library in addition to that required by law.

Article 11. To see if the Town will vote to raise and appropriate the sum of $400.00 to be expended under State supervision for the control of White Pine Blister Rust.

Article 12. To see if the Town will vote to raise and appropriate the sum of $316.00 to the Lakes Region Association of New Hampshire, which is one hundredth of one percent of the assessed valuation, for the purpose of publicizing and promoting the natural advantages and resources of the Town.

Article 13. To see if the Town will vote to raise and appropriate the sum of $250.00 for spraying trees along highways.

Article 14. To see if the Town will vote to raise and appropriate the sum of $1,500.00 for band concerts, summer and winter activities.

Article 15. To see if the Town will vote to raise and appropriate the sum of $600.00 as its proportionate share of the expense of erecting two large road signs, one at the junction of Rts. 16 and 11, and one at the junction of Rts. 3 and 28, advertising Alton and Alton Bay, in conjunction with other towns in the Lakes Region.

Article 16. To see what sum of money the Town will vote to raise and appropriate for the purchase of an ambulance and the maintenance of the same.

Article 17. To see if the Town will vote to raise and appropriate the sum of $1,000.00 to extend and complete the Town Beach, provide for more parking space and to provide public toilets.

Article 18. To see if the Town will vote to raise and appropriate the sum of $10,000.00 for the purchase of a new grader for highway purposes; the Selectmen to have supervision of same, and maintenance expenses to be deducted from highway appropriations.

Article 19. To see if the Town will vote to adopt a plan for extending to the employees of the Town the benefits of the Federal Social Security Act, and to raise and appropriate money for the Town's share of the same.

Article 20. To see if the Town will authorize the Selectmen to administer and dispose at public auction of any real estate acquired through tax collector's deeds, or to transfer the Town's interest in any tax liens held by it before a deed is due thereon. This authority to continue until revoked or rescinded at some future meeting.

Article 21. "Shall the provisions of Chapter 171-A of the Revised Laws relative to playing games of 'Beano' be adopted in the Town?"

Article 22. To see if the Town will vote to rescind that part of the vote taken at the annual Town Meeting held on the 12th day of March 1935, which pertained to the appointment by the Moderator of members of the Budget Committee under the provisions of the Municipal Budget Act.

Article 23. To see if the Town will vote to elect the members of the Budget Committee, as provided for under the Municipal Budget Act.

Article 24. To hear the reports of agents, auditors,, committees or officers heretofore chosen and to pass any vote relating thereto.

Article 25. To choose all necessary Town officers for the ensuing year, to elect one Selectman for three years, one library trustee for three years, one trustee of trust funds for three years, and one water commissioner for three years.

Given under our hands and seal this 21st day of February, 1952.

ETHEL W. MORRELL,
Town Clerk

TAX COLLECTOR'S REPORT

To the Taxpayers and Inhabitants of the Town of Alton:

It is my pleasure to present you herewith the annual report of the Collector for the calendar year 1951. This report covers the various accounts as is required of the Collector from year to year and should give you a fairly clear picture of the activities of this particular department. It would seem from the amount of uncollected taxes that there is an excessive amount of money due the Town at the end of the year. This is more or less attributed to the fact that the warrants were not given to the Collector until very late in the season and there was less than two months for actual collection before the closing of the accounts for the year. However, by the time this report is in your hands, a large amount of the uncollected taxes will have been paid and the uncollected list will have been reduced materially.

TAX COLLECTOR'S REPORT (continued)

As in last year's report the accounts have been divided into seven parts, namely:

1. Total receipts for 1951.
2. Balance sheet of Levy of 1951.
3. Balance sheet of Levy of 1950.
4. Balance sheet of Levies of years previous to 1950.
5. Balance sheet of State Head Tax.
6. Summary of Tax Sales Account as of Dec. 31, 1951.
7. Unredeemed Taxes from Tax Sales of 1950 and previous years.

Part 1.

	$32.05	$87.65	$222.48	$342.18

TAX COLLECTOR'S REPORT (continued)

The above report of the accounts of the Collector is correct according to my best knowledge and belief. Each item has been explained to your duly elected auditors and has been verified by them. May I again thank all the Town Officers who have been so helpful to me during the year, for without their good counsel and advice my work would have been much more difficult.

May I urge all property owners whose taxes are still unpaid to make every effort to take care of them as soon as possible. Operating the Town's business, is your business.

Respectfully submitted,
RAYMOND C. DUNCAN
Collector

Auditors' Report

As your duly elected auditors, we have carefully checked the accounts of the town treasurer, tax collector, precinct treasurer, trustees of trust funds, treasurer of the water commissioners, library trustees and treasurer of the lighting precinct along with the bank statement of the several departments.

According to the best of our knowledge and belief they are properly vouched and correctly cast and are a true account of the business of the town for the year ending December 31, 1951.

CHESTER W. LITTLEFIELD
GEORGE H. WALLACE
Auditors

FOREST FIRE REPORT

Only YOU can PREVENT Forest Fires

New Hampshire faces a real forest fire problem and challenge! To meet it successfully, New Hampshire and your community needs YOUR thoughtful and cooperative effort.

Continuously heavy lumbering operations following the hurricane has produced more than 4 billion board feet of lumber. This lumber helped win World War II, meet post war needs and now the current requirements for the Korean military action. But it has added nearly 900,000 acres of slash to our already sizeable slash problem.

When YOU fail to use needed precautions while burning in or near woodlands—

When YOU fail to secure the required permit from your local forest fire warden before burning—

When YOU are careless in smoking near woodlands—

When YOU throw lighted cigars, cigarettes and matches from vehicles moving along the highway—

YOU are violating fundamental common sense and may easily contribute to a substantial and costly fire. Such conflagrations are possible because of the hundreds of thousands of slash acres throughout the state!

REMEMBER—the fire YOU prevent might be one which could conceivably burn YOUR property and harm YOUR community!

ONLY YOU and YOU and YOU can prevent forest fires! Will YOU help!

1951 Fire Record

Number of Fires	4
Number Fire Permits Issued	81
Acreage Burned	5½

HAROLD E. PRIME
Forest Fire Warden

Report of the Alton Fire Department

To the Citizens of the Town of Alton

During the past year your Fire Wards with the assistance of your Selectmen have been able to secure three Mobile two-way radio sets and two small portable two-way radios. The Mobile sets were installeed in the Fire Chief's car, the Forest Fire Warden's car and in the new Fire Truck. With these we are able to communicate with various other Fire Departments in the State, with the lookout towers of the State, with all other units of the State Forestry, and with each other. We were able to buy these new sets for approximately one-third of their usual value and still keep within our budget due to the wet condition of our woodlands preventing any bad fires during this year. We believe that these sets will be of great value in keeping our losses lower in the future.

During the past year your Fire Department answered twenty-one calls for assistance. If all the property had burned that was threatened with fire, our loss would have been sixty thousand dollars, but our total damages from fire were one thousand dollars.

The equipment of the Department is in excellent condition but the housing arrangement should be given some consideration. The equipment being scattered as it is, makes it hard and costly to give it proper care.

The ambulance that we maintain and pay insurance on is so old that the people do not call for it except in an extreme emergency and then call another in case this one does not make the whole trip. This should be replaced with a more modern car so that our people could have this protection.

I feel that there should be another Fire Alarm box at or near the Community House in the Alton Bay yard for the protection of property along this new road and have asked for the funds to do this in the budget for this year.

In line with our neighboring towns, the Fire Wards are asking for funds to pay your Firemen a set sum of twenty-five dollars per year instead of the three dollars and one dollar per hour paid in the past. Due to the cost of replacing shoes and clothing subject to damage fighting FIRE we feel that this is fair.

Due to the extra duties involved by new laws and regulations adopted by our State Fire Marshall for your safety and by our increasing valuation, your Fire Wards are asking for an increase in pay.

Respectfully submitted,

HERBERT D. CARD
Chief of Fire Department

(b) Report of the Superintendent

Some changes have been made in your school this year. Miss Mary Louise Boyd, a graduate of Alton High School and Mt. Holyoke College, and with teaching experience in Massachusetts, has replaced Miss Roberts, who left position in Massachusetts. The elementary classes were combined with two grades to a room. This eliminated one teacher so Mrs. Wallace chose to return to her home duties. Mr. William E. Rice is teaching the music this year in place of Mrs. Ellen Grau, who, because of ill health, did not return. Mr. Rice is employed jointly by Farmington, New Durham and Alton.

In order to relieve the crowding in the Home Economics room, the hot lunch facilities were moved to the former shop building. While this has helped the Home Economics program, it has taken away the one place which was available for school activities during the day and at noon hour when the weather is such that the children cannot go outside.

With the hot lunch facilities removed, the Home Economics room can be renovated, and much needed equipment provided if your children are to have a program which meets modern standards.

A flag pole has been provided for your school by Mr. Finger and Mr. Sanborn to replace the one which was taken down six years ago after it had been damaged by pranksters.

Since Miss Boyd and Mr. Boston share the responsibility for the seventh and eighth grades, the entire teaching load of the high school falls on Mr. Finger, Mrs. Hayes, Miss Dobens and Mr. Moulton. With a demand for more subjects for those students desiring further training in the business field, the teaching position eliminated this year should be established next year in the high school if this added training is to be offered.

Your children could profit from folding chairs for the assembly room, some classroom chairs to replace those which have been broken over the years, typewriter tables, tables for the lunch room, microscopes and other equipment for the biology class, and equipment for the physics class.

When the history of education is written for this last

year, two items will no doubt have a prominent place. The first might be entitled, "Now It Can Be Told."

For several years a number of organizations have been publishing and distributing material harmful to our schools. Some of these materials have been prepared by persons known to be subversive by the F. B. I., while other materials have come from individuals who have for years made their livelihood by attacking some special group. In September, 1951, the McCall Magazine published an article by Arthur D. Morse entitled, "Who's Trying to Ruin Our Schools" which exposed the great movement against our public schools.

This should serve as a warning to all of us. While we all know that good schools are necessary in a democracy, sometimes we take them for granted. Constructive criticism is always desirable, but material which attempts to destroy must not be tolerated. New Hampshire citizens have been receiving their share of this material.

Toward the close of the year, the second thing happened. The National Association of Manufacturers announced a program which would carry on for the support of our public schools The cooperation of this powerful organization should be a distinct help to public education. The resolution passed recently by this group sums up the responsibility of business men in these words: "Business enterprises must find a way to support the whole educational program effectively, regularly, and now."

The supply of teachers continues to decrease and the demand grows greater each year. No less an authority than the United States Chamber of Commerce reveals these facts in their December, 1951 bulletin, "News and Cues."

"Teachers colleges suffered the largest over-all decrease —11%—and the largest drop in freshman enrollment—16%. These figures suggest that teaching continues to be less attractive to young people than other professions. All citizens who believe in compulsory public education should be concerned about the continuing shortage of elementary teachers which, as this survey shows, may grow worse."

Satisfactory pay and pleasant working conditions are the only things which will change this trend.

Your continued support of your schools is essential to their success.

Part II Instruction

(a) Teachers as of February 1, 1952

Teacher	Position	Enrollment	
John A. Finger, Principal		22	Grade 9
Gen. Math, Algebra, Chemistry, Geometry			
John Boston, Jr.		20	Grade 10

One handicapped child, male, aged from 5 to 16 found.

November 14, 1951

Part V Auxiliary Activities, Special Reports

(a) Report of the Principal

During the past year a number of changes have been made in the Alton schools. The elementary school is now quite well equipped with new text books. Every grade has several sets of supplementary readers to enable all of the children to have new reading material.

The seventh and eighth grades share two rooms under the direction of Miss Boyd and Mr. Boston. This has turned out to be a very satisfactory arrangement, although it has put an extra teaching load on the high school teachers.

In the high school, additional typewriters have been purchased because of the great demand for that course. A considerable amount of supplies have been purchased for the chemistry laboratory.

The old shop building has been repainted by the students and made into a lunch room. This makes a much improved situation during the lunch hour.

These are a few of the physical improvements which have been accomplished, yet much of what a school really can accomplish depends upon how well the faculty works together and what its educational goals are.

In our town, we have discussed the importance of better scholarship in our schools. Some people have felt that we should offer more classical courses, others have argued for a vocational shop course. We often do not know what course to follow in improving education. This is a problem which has plagued man for thousands of years. Aristotle, some two thousand years ago had this to say: "What constitutes education and what is the proper way to be educated? At present there are differences of opinion as to the proper course tasks to be set; for all people do not agree as to the things that the young ought to learn, either with a view to the best life, nor is it clear whether their studies should be regulated more with regard to intellect or with regard to character.—It is not at all clear whether the pupils should practice pursuits that are practically useful, or morally edifying, or higher accomplishments."

We may well ask what your school is doing in its day-to-day practices, and we may well question what it should be doing.

Should education consist of the learning of Algebra, Latin, French, Classical English Literature, and other purely academic courses? Or should education concentrate upon teaching directly, problems concerning how man should behave in society?

Your teachers do, I feel, believe in both. They try to provide each student with sufficient classical knowledge to give him an understanding of our cultural heritage. They also recognize the importance of teaching virtue and moral principle. By such courses as World Problems and Sociology and, in the elementary school, Social Studies, students are forced to grapple with the present problems that our world faces. In these courses the youth must find the answers to how they themselves must behave.

Quite frankly, the teachers are not always satisfied. They question how to best educate the youth of our country. They feel that they do not accomplish enough in the area of classical knowledge. And they are often disappointed that the behavior of the youth does not change sufficiently to indicate to them that they are doing a successful job in their teaching.

In the final analysis, each community must decide what

it wants for its young people. The community, the parents, and the school must all work together in determining the present goals of education.

(b) Report of School Health Work

To the Townspeople, School Board and Superintendent of the Alton School:

The following is my first report of the school health work of Alton.

Since school started last fall, we have had one case of scarlet fever. However, the health condition of the school children of Alton seems to be in good condition. A few cases of the common cold has caused the majority of absent children.

A medical inspection of the pupils of grades II, IV, VI, VIII, X and XII is being made by Dr. Appleyard of Alton. This includes a thorough physical examination and urine test of albumin and sugar. The parents will be notified where defects are being found.

The routine hearing and vision tests are going to be made this winter and spring.

Classroom visits and classroom inspections have been made whenever necessary for routine health work or to give individual advice to pupils regarding personal hygiene or whatever seemed important at the moment. Home visits have also been made regarding ill children, or to interview parents.

The following is a statistical report of the school nursing work during the year of 1950-1951, as submitted by Mrs. Venita Hardy:

Number examined by school physician 202

Defects	No. Cases	No. Treated	No. Improved	No. Corrected
T & A	29			4
Heart	3	1		
Orthopedic	11		7	
Genital	3			

Vision	8	1		6
Skin	15		10	
Speech	5	2		
Teeth				55
Tonsils				4

Vision Tests	218
Hearing Tests	206
Inspections	1,000
Heights	210
Weights	210
First Aid	25
Home Visits	160
Number Successfully Vaccinated	202

Number Communicable Diseases:

Chicken Pox	22
Measles	62
Impetigo	2

Clinics and Special Referrals:

Dental Clinic, Dr. Copeland, Rochester, January to June 29 completed.

Fluoride at Farmington—April—87.

Speech Clinic, Winant House—Noevmber—2.

Patch test at school, May—183 tested, 3 X-rayed.

In closing, I wish to express my appreciation to the Superintendent, School Board and teachers who have assisted me with the School Health Program in any way since I started last October. I am always glad to see or hear from parents at any time regarding their children or pertaining to the health program of the school.

Respectfully submitted,

(Mrs.) ANNIE LOUISE ROSENQUIST, R.N.
School Nurse

Part VI School Calendar for 1952-1953

1952

August 29	Principals' Meeting
September 2	Registration of new pupils and teachers' meeting
September 3	Schools open
October 17	Teachers' Convention
November 11	Schools Closed—Armistice Day
November 26	Schools Close at 1:00 P. M.—Thanksgiving Vacation
December 1	Schools Reopen
December 19	Schools Close—Christmas Vacation

1953

January 5	Schools Reopen
February 20	Schools Close—Mid-winter Vacation
March 2	Schools Reopen
April 24	Schools Close—Spring Vacation
May 4	Schools Reopen
June 12	Schools Close

(Days lost on account of bad weather will be made up beginning June 15th if necessary to complete 180 days of school.)

Teachers may attend State Teachers' Convention one day, appropriate County Institutes and Workshops totaling five days. These days are counted as part of the 180 days of school required by law.

Month	Number of School Days
September	20
October	23
November	17
December	15
January	20
February	15
March	22
April	18
May	20
June	10
Total	180

Part VII Definition of Official Ballot

The official ballot of the 1952 School District Meeting shall be white paper 1½ inches by 4 inches in size.

Part VIII Warrant of School District Meeting

The State of New Hampshire

To the Inhabitants of the School District in the Town of Alton, N. H., qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall, in said District, on the fifteenth day of March, 1952 at 1:30 o'clock in the afternoon to act upon the following subjects:

Article 1. To choose a Moderator for the coming year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a Member of the School Board for the ensuing three years.

Article 4. To choose a Member of the School Board for the ensuing one year.

Article 5. To choose a Treasurer for the ensuing year.

Article 6. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers, or agents, of the District.

Article 7. To hear the reports of agents, auditors, committees or officers heretofore chosen, and to pass any vote relating thereto.

Article 8. To choose agents, auditors and committees in relation to any subject embraced in this Warrant.

Article 9. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District officials and agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the Town.

Article 10. To see if the District will vote to build and equip a new elementary school consisting of not less than four regular classrooms with sanitary and administrative facilities, provide the necessary equipment and furnishings and to acquire any real property that may be necessary for the proper location of such a school, and take any other action relating thereto.

Article 11. If the preceding article is adopted, to see what sum the District will vote to appropriate for the construction, equipment and furnishing for such new elementary school and the acquisition of any real property that may be necessary for its location; and whether the District will vote to authorize the issuance of serial notes or bonds upon the credit of the District for all or any portion of the sum so raised and appropriated; and to authorize the School Board to determine the terms and conditions upon which the notes or bonds shall be issued including their sale, the time and place of payment of principal and interest, in accordance with the municipal bond statue, N. H. Revised Laws, Chapter 72 as amended by Chapter 5, Laws of 1951.

Article 12. If the District has adopted the article to construct a new elementary school, to see if the District will vote to appoint a building committee to consist of the School Board and two persons to be elected at this meeting to select the location for the new school and to supervise the construction of said building, provided that the plans, specifications and selection of the site for the new school shall be approved by the School Board acting alone as required by law and the School Board be further authorized to execute any and all contracts or agreements necessary in connection with the construction of said school.

Article 13. To see if the District will authorize the School Board to make application for and to receive, in the name of the District, such advances, grants in aid or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government or any state or private agency.

Article 14. To transact any other business that may legally come before said meeting.

Given under our hand at said Alton, N. H. this eighteenth day of February, 1952.
